Pastors in the Park Program Invites Area Church Leaders to the Railroad

Peninsula, OH – Cuyahoga Valley Scenic Railroad and Cuyahoga Valley National Park invite area church leaders to join us August 22, 10:40 a.m. at Akron Northside Station for a **FREE Train Ride** through Cuyahoga Valley National Park.

Along the route we'll share information about opportunities for your faith based community to experience the National Park with a focus on Health and Wellness. After all, the road to wellness is as easy as a walk, or a train ride, in the park. Join us to explore how your congregation can take part in activities that are good for mind, body, and spirit.

Please contact Pamela Machuga at (330) 657-1914 or pam_machuga@nps.gov to register for this special event.

Cuyahoga Valley Scenic Railroad, celebrating its 40th anniversary in 2012, provides transportation to and within Cuyahoga Valley National Park (CVNP) under a joint operating agreement and is dedicated to the preservation of passenger rail transportation in Cuyahoga Valley and along the historic Ohio & Erie Canalway.

CVNP encompasses 33,000 acres along the Cuyahoga River between Cleveland and Akron. Managed by the National Park Service, CVNP combines cultural, historical, recreational, and natural activities in one setting. For more information about the park, visit www.nps.gov/cuva/ or call (330) 657-2752.
